### **About the All-Star Game**

*The Minnesota Football Coaches Association is proud of this game and its history. The first All-Star Football Game was played in 1945, and the game has been an annual event since 1974. The All-Star Game has been played in two formats: North vs. South format from 1945 through 1960 and from 1974 to 1979, a Metro vs. Outstate format from 1980 to 2010 and back to a North vs. South format in 2011 (to present). The South All-Stars lead the current North vs South series 11-3. The South also leads the all-time North vs South series 19-11-1. Over the years, more than 5,100 players and 549 coaches have participated in this game. A total of 110 participants from the All-Star Football Game have played or coached in the National Football League, including current Minnesota Vikings player CJ Ham (2011, North All-Stars, North Offensive MVP).*
